

Personal Services Contracts Training Schedule

Level I is basic training on personal services contracts. Topics include what you need to know to begin reviewing personal service contracts, the requirements for HR professionals, an overview of applicable statutes and Director's administrative procedures, flow charts of the contract review process, and the basics for determining independent contractor status. The course lasts approximately 6 hours.

2005 SCHEDULE TBD

Level II is advanced training focused on the required elements of cost comparisons and completion of the cost comparison form, as well as the appropriate application of applicable statutes and Director's administrative procedures. The course lasts approximately 4½ hours.

2005 SCHEDULE TBD

Both levels of training are required for HR professionals seeking PCP certification. Those professionals who are currently certified in PCP Contracts will have one year to complete Level II Advanced training to retain certification.
